We now ship within 3 business days.

As always we would like to thank the collectors whose lifelong collections are included in this ad with special appreciation to our former customers who put their faith in us when it was time to sell their lifelong collections.

Welcome to our 96th sale containing some \$260,000 of fine collections which as always are sold at WHOLESALE PRICES - UNDOUBTEDLY THE BEST BARGAINS IN THE STAMP INDUSTRY. The continued satisfaction of our repeat customers is greatly appreciated and makes these projects enjoyable for Martha and myself. New customers can call with confidence and will find ordering easy and pleasant. Orders will be taken by Dr. Bob, Martha, or sons Steve and Ken.

As has been our policy for 40 years, satisfaction is absolutely guaranteed and any lot may be returned for immediate refund within 5 days of receipt for any reason - but I must say our return rate is less than 2%, perhaps the lowest in the stamp business. Please call or fax quickly since we generally sell well over 60% of the collections in the first four days. For collectors who are known to us, payment can be spread over a 3 month period interest free.

If interested in selling philatelic properties, please call as we are always eager to purchase collections at the highest possible prices. We travel the country and purchases are made in a professional confidential manner with immediate full cash payment at the time of purchase. No collection or accumulation should be considered too large, bulky, or expensive since we buy carloads, households, and dealer accumulations on a regular basis. Many of our best collections are bought from past customers who purchased from us through the years. Since we have limited time to process large lots, all collections are sold intact as purchased with no goodies removed.

Feel free to contact us at any reasonable time, 7 days a week, either to order or to discuss your collection. We are always available to discuss stamp collections 365 days a year. You will find us very comfortable to work with.

**309 WORLDWIDE** - Three old brownies covering 1840-1929 in nice condition as are the pages. These collections contain some hundreds of mint and used stamps including some good catalogue value but are mostly being sold for the albums. **NET \$995**

**310 WORLDWIDE** - Four Scott brownies covering the years 1840-1933. Pages are in very nice condition. Two of the binders are in nice condition but two are falling apart. These contain lots of common stamps and some better such as Japan. **NET \$595**

**311 WORLDWIDE** - Ten consecutive Statesman Deluxe albums in nice condition containing 30,000 to 40,000 affordable mint and used stamps in nice condition. There are extra pages the collector included for additional often better material. Nice clean albums with lots of stamps for only: **NET \$1495**

**312 WORLDWIDE** - An International Junior Scott album from 1840-1925 in surprisingly nice condition with clean pages containing many thousands of mint and used stamps also in nice condition. Catalogue values go up to \$50. Loads of fun to go through with probably many potential finds. Germany looks the stronger beginning with lots of large and small eagles. Pages are clean and no stamps have been removed except for the US section where the stamps have been removed and hinge remnants remain. Probably worth far more than **NET \$1695**

**313 WORLDWIDE** - A desirable set of five Brown Scott International albums encompassing completely the 1840-1940 era. These are the old "brownies" that have been reprinted and sell for expensive prices. These albums are surprisingly completely clean. There are some hundreds of inexpensive stamps mounted with hinges which have no value. The albums are being sold for the albums themselves. **NET \$895**

**314 WORLDWIDE** - A similar collection to that above in five old Brownies covering 1840-1940. **NET \$895**

**315 WORLDWIDE** - Very nice collection of many, many thousands of mint and used stamps in five consecutive Scott "Brownies" covering the period 1840-1940. This highly desirable set of albums contains loads of good stamps with large numbers of stamps in the \$50-\$700 range. Condition of the albums and pages is nice considering the age. The pages are clean with no marks on them. This collection will be a wonderful addition for the person wishing to be a very serious 1840-1940 collector. **NET \$4495**

**315A WORLDWIDE** - An incredible 19th century Scott Brownie loaded with thousands of mint and mostly used stamps with astronomical catalogue value (surely over \$100,000 - probably well over) in mixed condition. This is really an ancient collection that is falling apart from decades of use. Over the years stamps have been added, removed and the pages are often messy. With the condition of the stamps there are thousands of sound stamps. A small number of the pages have been removed. Many of the countries are loaded. To give you an idea, strong Belgian Congo, Chile with Imperfs, Cape of Good Hope with 12 triangles, good Portugal Colonies throughout, most German States, German eagles, Denmark loaded, France with huge catalogue value, Greece with dozens of large Hermes heads and many dozens of small Hermes heads, Mexico with hundreds of tough classics, strong Shanghai and Thailand, Swiss huge cat. Some duplication is present. Probably worth far more than: **NET \$8995**

**316 YUGOSLAVIA** - Mint and used collection of a few hundred stamps from 1918-1960 in a Scott specialty album in generally F-VF condition. Includes mint #N18-35, etc. 2012 Scott \$507. **NET \$140**

## THINKING OF SELLING YOUR COLLECTION?

We have been one of the largest sellers of country collections in the United States for the last 30 years and our collectors eagerly buy the collections we offer. For that reason we need to constantly buy collections and must pay the highest prices for quality collections. If we did not pay the highest prices in the industry, we could not possibly continue to have sales such as this one. Often dealers who state they pay the highest prices simply sell to us. Call Dr. Bob Friedman and receive the highest price that your quality collection deserves.

Here are a few letters from people who have sold to us...

"Dear Bob:

*I very much appreciate the time you took and the distance you traveled to see the stamp collection that I was offering for sale. It was a pleasure to have you as a guest at my home.*

*I am certainly delighted in your offer to buy the stamp collection and your appraisal of its value that exceeded my expectations. Having had bad experience with one of the largest national stamp dealers in the country that I felt was not dealing with me equitably, it has been very refreshing to deal with someone as knowledgeable and fair minded as yourself. I felt that a business relationship that is beneficial to both parties can impart a sense of trust and respect that can pave the way for future business. As such, I would be more than happy to recommend you to my fellow stamp collectors.*

*Once again, thank you for your time and the fair completion of this transaction. From the beginning, it has been my pleasure in sharing our mutual affinity for stamp collecting.*

Sincerely,"

*"I would recommend Dr. Bob with any transaction involving philatelic material. He deals in a very upfront manner and truly pays a fair price. I was reluctant to sell my stamp collection but he made the whole process so enjoyable and his offer even exceeded what I thought I would receive. If you're looking to sell your stamp collection I would simply go to Dr. Bob because he will make you a fair and generous offer.*

Thanks Dr. Bob!!

Sincerely,"

*"As you know I have collected stamps since before World War II and take pride in my collection. You were excellent to work with and I find you very professional. I was also pleased with the offer you paid me for my stamp collection."*

- Gasper Buffa  
Charlotte, Florida

"Dear Bob,

*This letter is to thank you for the fair and agreeable manner in which you handled the purchase of my stamp collection of almost a lifetime. I particularly appreciate the process you employed and the friendly way in which you took time to evaluate the collection, make me what I consider to be a very fair offer, and then roll up your sleeves and pack the collection into 36 boxes which were picked up the next day by UPS.*

*You have a very thorough knowledge of the stamps of the world, and you examined every album before making the offer. You were ready to spend more time with a more detailed appraisal in order to refine the offer if justified, but I knew enough about the stamp market to know that the amount you were willing to pay was in the ballpark, so that a more detailed inspection was unlikely to gain me a much higher return.*

*I was also happy with your understanding of my desire to retain a small part of the collection, so that in my declining years I would not be bereft of philately!*

*I hope the collection arrived in good order. Again, many thanks.*

Yours sincerely,"
